2015-2016
Yellow (Non Reserved) Individual Commuter Permit
www.transportation.ucla.edu

UCLA PARKING AUTHORITY:
Both UCLA Parking Regulations and the California Vehicle Code are applicable on the UCLA campus. UCLA is authorized through the California Vehicle Code Section 21113 (a) to establish independent parking regulations. All parking regulations are enforced through citations issued by UCLA Parking Enforcement. The Regents of the University of California are not and shall not be liable under any circumstances for the loss of or damage to vehicles or contents thereof parked or garaged in a lot or structure by fire, theft, or any other cause whatsoever not arising directly from the negligent acts of the Regents of University or its employees acting within the scope of their employment. The University reserves the right to restrict the use of any parking stall, area, structure or surface lot at any time and to temporarily or permanently relocate permit holders as necessary.
Parking Regulations
Under the authority delegated by the Chancellor, no individual or department other than Parking Services may grant parking privileges on campus. All parking permits, decal and gate access cards issued to users of the parking system remain the property of the University.

Permit requirements
• Every vehicle including those with specialized license plates must display a valid permit in accordance with the regulation posted.
• Commercial licensed vehicles are not required to display parking permits when engaged in the act of loading or unloading within a designated loading zone for no more than 20 minutes.
• University and official local, state or federal government licensed vehicles do not need a permit when on official business. Officials using private vehicles must park unless the government agency has made prior arrangements with UCLA. All officials must stop at an Information & Parking Booth to obtain a one day permit.
• Parking permits are the property of the University and may not be resold, duplicated or altered.
• Parking permits are for the registered permit holder only and are non-transferable. Violations of any regulation will result in restitution and possible legal and/or disciplinary action to the violator.

Important Gate Access Card Information
• If you lose your permit do not discard your gate access card.
• This card will be valid with other permits issued to you in the future.

Additional Services for Employees Only – (Students are not entitled)
Employees may receive a maximum of three (3) temporary permits within a three (3) month rolling period for the following reasons:

Guidelines:
• When an Employee forgets their permit, they can receive a temporary permit for their assigned area. Note: Employees
• Employees Carpoolers, all designated members must be in the vehicle.
• Employees with yellow permits required to travel on campus for job related business/duties can obtain a temporary permit for an alternate area. Restrictions may apply, e.g. cannot be within same proximity of Employees assigned permit location.
• To receive a temporary permit you must:
  o Go to any UCLA Information & Parking Booth.
  o Show your valid UCLA Identification Card or Driver’s License.

All Parkers Note:
• If you are unable to locate parking in your assigned area, please go to any UCLA Information & Parking Booth for assistance. Do not park in an unauthorized area as this will subject you to receiving a citation.
• Parking Services designates cross-parking during specific times of the fiscal year. For additional information call (310) 206-PARK.

Employees who have Medical Appointments:
• May cross-park in (JS) Jules Stein or MP only.
• Valid for up to 3 hours once per day Monday through Friday during Information & Parking Booth hours only.

Employees must purchase a valid parking permit on Saturday, Sunday and when Information & Parking Booths are closed.
• Must show ticket along with valid parking permit when exiting.

Employee with Night or Weekend Permits must pay the daily rate.

Please Note: Yellow permit holders for areas 1, 8, 9 & CHS

A permit is valid when:
• The time and date are current.
• Used by the individual authorized by Parking Services.
• Properly displayed and completely visible.
• Legible and does not appear to be altered or duplicated.
• The permit has not been cancelled, reported lost, stolen or not returned.
• Used in the area(s) authorized by Parking Services.
• Is accompanied by a daily temporary permit.

Permits are not valid to park in:
• Pay and Display Stalls.
• Pay by space stalls.
• Loading Zones (unless you display a loading zone permit).
• Stalls marked restricted or reserved “at all times” unless you have the appropriate permit, e.g. 2 Blue Permit required at all times.

Decal Mounting Instructions
You have two options for the display of your permit. You must use one of these two options listed below. Failure to do so may result in the issuance of a parking citation for improper permit display.

Option #1: If you are going to use a plastic hang tag, please affix the permit decal to the plastic hangtag. Hold the tag from your rearview mirror so that the permit faces outward and is clearly visible and readable through the windshield of your car while parked on campus.

Option #2: Please affix your permit decal to the inside of the front windshield on the driver’s side. While seated in the driver’s seat, locate the decal within a 5-inch square of the lower left-hand corner.

Hold your Gate Access Card up to the gray reader faceplate located at the entrance to the lot or structure. Gate will open automatically. DO NOT INSERT INTO DAILY/Visitor ticket reader. Your Gate Access Card has a lifetime usage and should be retained if you are re-applying for any future permits.

Canceling Your Permit:
• Return the decal(s) and gate access card to Parking Services. (Failure to return all items will result in no refund or a reduced refund of parking fees.)
• A prorated refund based on the date the decal(s) and gate access card are received in Parking Services will be mailed to the address provided.
Your permit is valid at all times in:
• The assigned area indicated on your permit except MBBL Permits which are valid in 1.

Not valid from 7:30 A.M. to 4:30 P.M., Monday-Friday:
*1 BL Permits not valid in CHS
*2BL permits are not valid in 9.
*3BL, 4BL & RBL permits are not valid in 5.
*4BL & 7BL permits not valid in 8 or 9.
*8BL permits are not valid in 9.
*9BL permits are not valid in 2 or 8.
*32BL permits are not valid in 36.

Your permit is valid from 4:30 P.M. to 7:00 A.M. Monday through Friday, all day on weekends and University Holidays in:
• All numbered & lettered areas except: 13, 35, 39, (DC) Dickson Court, (JS) Jules Stein, MB/MP, Ronald Reagan UCLA Medical Center, Tiverton House & Weyburn Terrace. NOTE: 2BL, 4BL, 8BL, 9BL & THBL Permits are valid in structure 1 (levels 5 & 6 only) FROM 4:30 P.M. to 8:00 A.M. M-F.

• A prorated refund based on the date the decal(s) and gate access card are received in Parking Services will be mailed to the address provided.

*The following California Vehicle Codes are enforced for all UCLA campus streets, parking lots and structures.

California Vehicle Code Sections 22651 (D) and 22651.7: When any vehicle is found upon a highway and known to have been issued five or more parking violations over a period of five or more days and the owner or person in control of the vehicle has not responded, the vehicle may be impounded until that person furnishes to the impounding law enforcement agency evidence of his identity and an address within this state at which he can be located and satisfactory evidence that the bail has been deposited for all notices of parking violations for the vehicle.

University Discipline for Permit Abuse

Violation of Parking Regulations are subject to disciplinary and legal action including but not limited to recall of parking permit, imposing fees, withholding refunds, placing holds on Student Records and revocation of parking privileges.

• Permits/decals and gate access cards are not transferable.

• Resale is prohibited and will subject both buyer and seller to disciplinary action.

• Unauthorized use of a UCLA Parking Permit by an individual not registered with Parking Services may result in cancellation of parking privileges.

• Fabrication of information on student parking applications may result in the recall or cancellation of a parking permit and may also subject the individual to disciplinary action.

• Possession of or use of a stolen, voided, duplicated, altered or not returned parking decal is cause for:

  - Restitution fees in conjunction with the citation.

  - Disciplinary and or legal action.

  - Revocation of parking privileges.

  - Placing holds on Student Records.

• Student disciplinary cases may be referred to the Dean of Students and employees to the appropriate Departmental Chairperson or Administrative Officer.

• Serious offenses may result in impoundment of the vehicle and criminal charges, which may be pursued by the City Attorney through the court system.

You have two options for the display of your permit. You must use one of these two options listed below. Failure to do so may result in the issuance of a parking citation for improper permit display.

Option #1: If you are going to use a plastic hang tag, please affix the permit decal to the plastic hangtag. Hang the tag from your rearview mirror so that the permit faces outward and is clearly visible and readable through the windshield of your car while parked on campus.

Option #2: Please affix your permit decal to the inside of the front windshield on the driver’s side. While seated in the driver’s seat, locate the decal within a 5-inch square of the lower left-hand corner.

Parking Lot Access:
Hold your Gate Access Card up to the gray reader faceplate located at the entrance to the lot or structure. Gate will open automatically. DO NOT insert into Daily/Visitor ticket reader.

Your Gate Access Card has a lifetime usage and should be retained if you are re-applying for any future permits.

Canceling Your Permit:
- Return the decal(s) and gate access card to Parking Services. (Failure to return all items will result in no refund or a reduced refund of parking fees.)
- A prorated refund based on the date the decal(s) and gate access card are received in Parking Services will be mailed to the address provided.

Disabled License Plate or Disabled Placard Holders:
- UCLA Affiliates Faculty, Staff or Students who have a valid disabled person’s license plate or placard should purchase an Accessible Parking (AP) Permit for Individuals with Disabilities.
- When displaying both the Accessible Parking Permit for Individuals with Disabilities & disabled person’s license plate or placard, you may park in any legal parking stall except Passenger loading (white curb) or commercial loading (yellow curb) spaces.

Your permit is valid at all times in:
- Ronald Reagan UCLA Medical Center.
- All numbered and lettered areas except: *17, MB/MP, Tiverton House and Weyburn Terrace.
- RC for use of the Sunset Recreation Center.
- X & Blue Stalls.

NOTE: Lot *17 – you will need to obtain an alternate permit in order to park if this is not your assigned area. Please contact your Parking Coordinator or Parking Services for approval.

Not valid in Pay by Space or Pay & Display Stalls.

UCLA PARKING AUTHORITY:
Both UCLA Parking Regulations and the California Vehicle Code are applicable on the UCLA campus. UCLA is authorized through the California Vehicle Code Section 21113 (a) to establish independent parking regulations. All parking regulations are enforced through citations issued by UCLA Parking Enforcement.
The Regents of the University of California are not and shall not be liable under any circumstances for the loss of or damage to vehicles or contents thereof parked or garaged in a lot or structure by fire, theft, or any other cause whatsoever not arising directly from the negligent acts of the Regents of University or its employees acting within the scope of their employment. The University reserves the right to restrict the use of any parking stall, area, structure or surface lot at any time and to temporarily or permanently relocate permit holders as necessary.
### Parking Regulations

Under the authority delegated by the Chancellor, no individual or department other than Parking Services may grant parking privileges on campus. All parking permits, decals and gate access cards issued to users of the parking system remain the property of the University.

#### Permit requirements

- Every vehicle including those with specialized license plates must display a valid permit in accordance with the regulation posted.

Hold your Gate Access Card up to the gray reader faceplate located at the entrance to the lot or structure. Gate will open automatically. DO NOT insert into Daily/Visitor ticket reader.

Your Gate Access Card has a lifetime usage and should be retained if you are re-applying for any future permits.

Canceling Your Permit:

- Return the decal(s) and gate access card to Parking Services. (Failure to return all items will result in no refund or a reduced refund of parking fees.)
- A prorated refund based on the date the decal(s) and gate access card are received in Parking Services will be mailed to the address provided.

Decal Mounting Instructions

You have two options for the display of your permit. You must use one of these two options listed below. Failure to do so may result in the issuance of a parking citation for improper permit display.

Option #1: If you are going to use a plastic hang tag, please affix the permit decal to the plastic hangtag. Hang the tag from your rearview mirror so that the permit faces outward and is clearly visible and readable through the windshield of your car while parked on campus.

Notice: Some new cars are equipped with antilacerative (Sucroflex) windshields which may be damaged by windshield-mounted decals. If your car is equipped with such a windshield, mounting platforms which are placed between the windshield and the decal are available upon request.

Clean Fuel Vehicle Permits Eligibility Summary

- Only Federal Inherently Low Emission Vehicles (ILEV’s) are eligible for a UCLA Clean Fuel Permit.
- Cars that meet these requirements are typically certified pure zero emissions vehicles (100% battery electric and hydrogen fuel cell) and compressed natural gas (CNG) vehicles.
- **Note:** Clean Fuel Permits are *only valid* when displayed on vehicles that are eligible for DMV White Clean Air Vehicle Stickers, all other vehicles will be subject to citation. Visit [http://www.arb.ca.gov/msprog/carpool/carpool.htm#vehicles](http://www.arb.ca.gov/msprog/carpool/carpool.htm#vehicles) to determine if your vehicle meets these requirements.
- Clean Fuel Permits are *only eligible* on Clean Fuel Vehicles. If you are driving an alternate vehicle (that is not a Clean Fuel Vehicle) you will need to go to the Parking & Information Booth to request a temporary permit for your alternate vehicle.
- If you will be driving an alternate vehicle (that is not a Clean Fuel Vehicle) for more than 1 day, please contact the Parking Services at 310-206-3884.

Application Process

- Visit [http://www.arb.ca.gov/msprog/carpool/carpool.htm#vehicles](http://www.arb.ca.gov/msprog/carpool/carpool.htm#vehicles) to determine if your vehicle is an ILEV.
- Only vehicles eligible for a DMV White Clean Air Vehicle Sticker are eligible for a UCLA Clean Fuel Permit.
- Once you determine that your vehicle is eligible contact your departmental parking coordinator for an application.
- In order to qualify for a UCLA Clean Fuel Permit the following items must be submitted each time you apply:
  - Copy of Vehicle Registration (in your name)
  - Application
  - Payment

You may NOT park in:

- Accessible Parking Stalls reserved for Individuals with Disabilities unless you have a disabled person’s license plate or placard displayed.
- Metered stalls; pay by space stalls. (except electric vehicles engaged in a charging session at a University-designated charging location)
- Loading Zones (unless you display a loading zone permit obtained from an Information & Parking Booth).
- Stalls that are posted marked reserved at all times for X or Designated Blue Permits; e.g. 2 Blue Permit required at all times.
- Aisles and areas not specifically marked as parking stalls.

Disabled License Plate or Disabled Placard Holders:

- UCLA Affiliates Faculty, Staff or Students who have a valid disabled person’s license plate or placard should purchase an Accessible Parking (AP) Permit for Individuals with Disabilities.
- When displaying both the Accessible Parking Permit for Individuals with Disabilities & disabled person’s license plate or placard, you may park in any legal parking stall except: **Passenger loading (white curb) or commercial loading (yellow curb) spaces.**

Decal Mounting Instructions
You may have two options for the display of your permit. You must use one of these two options listed below.
Failure to do so may result in the issuance of a parking citation for improper permit display.

Option #1: If you are going to use a plastic hang tag, please affix the permit decal to the plastic hangtag. Hang the tag from your rearview mirror so that the permit faces outward and is clearly visible and readable through the windshield of your car while parked on campus.

Notice: Some new cars are equipped with antilacerative (Sucroflex) windshields which may be damaged by windshield-mounted decals. If your car is equipped with such a windshield, mounting platforms which are placed between the windshield and the decal are available upon request.

Parking Lot Access:
 Hold your Gate Access Card up to the gray reader faceplate located at the entrance to the lot or structure. Gate will open automatically.

DO NOT INSERT into Daily/Visitor ticket reader.
Your Gate Access Card has a lifetime usage and should be retained if you are re-applying for any future permits.

Canceling Your Permit:
- Return the decal(s) and gate access card to Parking Services. (Failure to return all items will result in no refund or a reduced refund of parking fees.)
- A prorated refund based on the date the decal(s) and gate access card are received in Parking Services will be mailed to the address provided.

- Revoke parking privileges for those Students who did pass their Audit. Issue citations for parking at a broken meter.
- Change parking assignments or privileges as deemed necessary.
- Restrict the use of any parking stall, area, structure or surface lot at any time.
- Temporarily or permanently relocate permit holders as needed.
- Determine hours of control.
- Determine mode of operation for any area at any time (e.g., self-park or stack park, etc.).
- *Tow or boot any vehicle which blocks any parking stall, area, structure, lot and driveway or accumulates five (5) or more parking citations to which the registered owner has not responded within the legally mandated timeframe.

Towing & Booting
*The following California Vehicle Codes are enforced for all UCLA campus streets, parking lots and structures. California Vehicle Code Sections 22651 (1) and 22651.7. When any vehicle is found upon a highway and known to have been issued five or more parking violations over a period of five or more days and the owner or person in control of the vehicle has not responded, the vehicle may be impounded until that person furnishes to the impounding law enforcement agency, evidence of his identity and an address within this state at which he can be located and satisfactory evidence that the bail has been deposited for all notices of parking violations for the vehicle.

University Discipline For Permit Abuse
Violation of Parking Regulations are subject to disciplinary and legal action, including but not limited to recall of parking permit, imposing fines, withholding refunds, placing holds on Student Records and revocation of parking privileges.

- Permits/decals and gate access cards are not transferable.
- Resale is prohibited and will subject both buyer and seller to disciplinary action.
- Unauthorized use of a UCLA Parking Permit by an individual not registered with Parking Services may result in cancellation of parking privileges.
- Possession or use of a lost, stolen, voided, duplicated, altered or not returned parking decal or is cause for:
  - Restitution fees in conjunction with the citation.
  - Disciplinary and or legal action.
  - Revocation of parking privileges.
  - Placing Holds on Student Records.
  - Disciplinary cases may be referred to the Dean of Students and Notification of Departmental Chairperson or Administrative Officer.
  - Serious offenses may result in impoundment of the vehicle and criminal charges, which may be pursued by the City Attorney through the court system.

UCLA Parking Authority
Both UCLA Parking Regulations and the California Vehicle Code are applicable on the UCLA campus. UCLA is authorized through the California Vehicle Code Section 21113(a) to establish independent parking regulations. All parking regulations are enforced through citations issued by UCLA Parking Enforcement. The Regents of the University of California are not and shall not be liable under any circumstances for the loss of or damage to vehicles or contents thereof parked or garaged in a lot or structure by fire, theft or any other cause whatsoever not arising directly from the negligent acts of Regents of the University or its employees acting within the scope of their employment. The University reserves the right to restrict the use of any parking stall, area, structure, ramp or surface lot at any time and to temporarily relocate permit holders as necessary.

Decal Mounting Instructions
You have two options for the display of your permit. You must use one of these two options listed below.
Failure to do so may result in the issuance of a parking citation for improper permit display.

Option #1: If you are going to use a plastic hang tag, please affix the permit decal to the plastic hangtag. Hang the tag from your rearview mirror so that the permit faces outward and is clearly visible and readable through the windshield of your car while parked on campus.

Notice: Some new cars are equipped with antilacerative (Sucroflex) windshields which may be damaged by windshield-mounted decals. If your car is equipped with such a windshield, mounting platforms which are placed between the windshield and the decal are available upon request.

Parking Lot Access:
Hold your Gate Access Card up to the gray reader faceplate located at the entrance to the lot or structure. Gate will open automatically. DO NOT insert into Daily/Visitor ticket reader.

Your Gate Access Card has a lifetime usage and should be retained if you are re-applying for any future permits.

Canceling Your Permit:
- Return the decal(s) and gate access card to Parking Services. (Failure to return all items will result in no refund or a reduced refund of parking fees.)
- A prorated refund based on the date the decal(s) and gate access card are received in Parking Services will be mailed to the address provided.

UVBL permits are valid:
- At all times in any blue, yellow, or stalls marked for University vehicle use.
- In loading zones for up to 20 minutes.
- Only for official University business.

Not valid in:
- (DC) Dickson Court.
- Accessible Parking Stalls reserved for Individuals with Disabilities unless you have a disabled person’s license plate or placard displayed.
- “X” stalls from 7:30 A.M. to 4:30 P.M. Monday through Friday.
- Pay by Space or Pay & Display Stalls.
- Aisles and areas not specifically marked as parking stalls.
- Red Zones.
- Area 13, 17 & 39.
- Ronald Reagan UCLA Medical Center.
- Used on privately owned or operated vehicles.
- Used to conduct personal business.
- Used as a personal UCLA parking permit.

NOTE: Individuals and/or University departments found using a UVBL permit in violation of the above are subject to citation, fines, and/or personal UCLA parking privilege revocation.

UVBL permits are for University Vehicles which include:
- University Vehicles with E-plate.
- Departmentally owned or leased vehicles.

Parking permits are granted for the purpose of transportation to and from campus. Garaging your vehicle on campus is prohibited unless you are a Residence Hall Tenant with the appropriate permit.

Towing & Booting
"The following California Vehicle Codes are enforced for all UCLA campus streets, parking lots and structures."
California Vehicle Code Sections 22651 (4) and 22651.7. When any vehicle is found upon a highway and known to have been issued five or more parking violations over a period of five or more days or the owner or person in control of the vehicle has not responded, the vehicle may be impounded until that person furnishes to the impounding law enforcement agency evidence of his identity and an address within this state at which he can be located and satisfactory evidence that the bail has been deposited for all notices of parking violations for the vehicle.

University Discipline for Permit Abuse
Violation of Parking Regulations are subject to disciplinary and legal action including but not limited to recall of parking permit, imposing fees, withholding refunds, placing holds on Student Records and revocation of parking privileges.
- Permits/decals and gate access cards are not transferable.
- Resale is prohibited and will subject both buyer and seller to disciplinary action.
- Unauthorized use of a UCLA Parking Permit by an individual not registered with Parking Services may result in cancellation of parking privileges.
- Falsification of information on student parking applications may result in the recall or cancellation of a parking permit and may also subject the individual to disciplinary action.
- Possession or use of a lost, stolen, voided, duplicated, altered or not returned parking decal is cause for:
  ✓ Restitution fees in conjunction with the citation.
  ✓ Disciplinary and or legal action.
  ✓ Revocation of parking privileges.
  ✓ Placing Holds on Student Records.
  ✓ Student disciplinary cases may be referred to the Dean of Students and employees to the appropriate Departmental Chairperson or Administrative Officer.
  ✓ Severe offenses may result in impoundment of the vehicle and criminal charges, which may be pursued by the City Attorney through the court system.

Decal Mounting Instructions
You have two options for the display of your permit. You must use one of these two options listed below. Failure to do so may result in the issuance of a parking citation for improper permit display.

Option #1: If you are going to use a plastic hang tag, please affix the permit decal to the plastic hang tag. Hang the tag from your rearview mirror so that the permit faces outward and is clearly visible and readable through the windshield of your car while parked on campus.

Notice: Some new cars are equipped with antilacerative (Sucroflex) windshields which may be damaged by windshield-mounted decals. If your car is equipped with such a windshield, mounting platforms which are placed between the windshield and the decal are available upon request.

Parking Lot Access:

- Hold your Gate Access Card up to the gray reader faceplate located at the entrance to the lot or structure. Gate will open automatically. DO NOT insert into Daily/Visitor ticket reader.
- Your Gate Access Card has a lifetime usage and should be retained if you are re-applying for any future permits.

Canceling Your Permit:
- Return the decal(s) and gate access card to Parking Services. (Failure to return all items will result in no refund or a reduced refund of parking fees.)
- A prorated refund based on the date the decal(s) and gate access card are received in Parking Services will be mailed to the address provided.
Instructions for Guest Permit Ordering:

- Complete a Recharge-Order Request online and include the area(s) in which the permits are to be valid. Also, indicate who will be using them. **NOTE:** The valid area(s) must be included to process the order.
- Allow 4 to 5 business days for processing.
- Permits may be picked-up in the Parking Services Lobby during normal business hours.

Instructions for Guest Permits use:

- Please include a guest parking permit privileges/restrictions insert for every permit that is issued.
- The assigned parking area is printed at the base of each permit. The permit is only valid in the area indicated. Type or use ink pen to fill in the date in the space provided. Guest Permits and their accompanying magnetic stripe access tickets are good for **one day only and only in the area indicated.**
- Do not make any corrections on the permits. Any undated, incorrectly dated, altered, penciled or illegible permits will be invalid and the guests using them will be subject to parking citations.
- An altered permit is defined as a permit issued by UCLA that is defaced or otherwise marked upon in an unauthorized manner. Permits are considered altered if any of the printed information on any type of permit is changed, including but not limited to, dates that have been erased or crossed out by any means or filled in and changed due to mistaken date entry.
- Mail the permits, stickers, and guest parking permit privileges/restrictions inserts to the guests before they arrive on campus. If you are unable to mail the permits, stickers, and guest parking permit privileges/restrictions inserts and would like to provide courtesy parking, please call Courtesy Parking at (310) 825-3169. To issue adequate space for groups of ten or more, please contact Special Events at (310) 825-1286.
- Guests can be directed to an Information Booth for assistance with parking when they arrive on campus. If an attendant has been scheduled for an event, guests can be directed to the lot being used for this event.
- Guest permits may NOT be left at the Information Booths for guests to pick up.

Credits/Refunds of Unused Guest Permits:

- Unused and intact permits may be returned for credit within the fiscal year of purchase.
- A standard return processing fee will be charged for each order returned.
  **NOTE:** Permits that have been separated from their magnetic stripe gate entry, altered or mutilated in any way will be considered void and not valid for credit.
VALID at all times:
Yellow (Non-Reserved) assigned area for the dates indicated on the permit.
Not valid in Pay by Space or Pay & Display Stalls.

Not valid in: (DC) Dickson Court, (JS) Jules Stein, MB, MP, and Ronald Reagan UCLA Medical Center.

UCLA PARKING AUTHORITY:
Both UCLA Parking Regulations and the California Vehicle Code are applicable on the UCLA campus. UCLA is authorized through the California Vehicle Code Section 21113 (a) to establish independent parking regulations.

All parking regulations are enforced through citations issued by UCLA Parking Enforcement.

The Regents of the University of California are not and shall not be liable under any circumstances for the loss of or damage to vehicles or contents thereof parked or garaged in a lot or structure by fire, theft, or any other cause whatsoever not arising directly from the negligent acts of the Regents of University or its employees acting within the scope of their employment. The University reserves the right to restrict the use of any parking stall, area, structure or surface lot at any time and to temporarily or permanently relocate permit holders as necessary.
The permit is valid at all times in:

- The assigned area and date indicated on the parking permit.
- Non-reserved parking stalls.

Guest Permit NOT valid in:

- (DC) Dickson Court, (JS) Jules Stein, MB, MP, and Ronald Reagan UCLA Medical Center.

Aisles and areas not specifically marked as parking stalls

Note: Undated, incorrectly dated, altered, penciled or illegible permits are not valid and subject to parking citations. An altered permit is defined as a permit issued by UCLA that is defaced or otherwise marked upon in an unauthorized manner. Permits are considered altered if any of the printed information on any type of permit is changed, including but not limited to, dates that have been erased or crossed out by any means or filled in and changed due to mistaken date entry.

Note: Guest Permits are for use by official University guests only, and are NOT valid for use by UCLA employees, UCLA students, personal guests, or those visiting campus who receive benefits or compensation (e.g. vendors).

Permits and access cards are not transferable, non-replaceable and not refundable. Resale is prohibited.

Parking Regulations

Under the authority delegated by the Chancellor, no individual or department other than Parking Services may grant parking privileges on campus. All parking permits, decal and gate access cards issued to users of the parking system remain the property of the University.

Permit requirements

- Every vehicle including those with specialized license plates must display a valid permit in accordance with the regulation posted.
- Commercial licensed vehicles are not required to display parking permits when engaged in the act of loading or unloading within a designated loading zone for no more than 20 minutes.
- University and official local, state or federal government licensed vehicles do not need a permit when on official business. Officials using private vehicles must pay to park unless the government agency has made prior arrangements with UCLA. All officials must stop at an Information & Parking Booth to obtain a one day permit.
- Parking permits are the property of the University and may not be resold, duplicated or altered.
- Parking permits are for the registered permit holder only and are non-transferable. Violations of any regulation will result in restriction and possible legal and/or disciplinary action to the violator.

Important Gate Access Card Information

- If your permit expires do not discard your gate access card.
- This card will be valid with other permits issued to you in the future.

Additional Services for Employees Only – (Students are not entitled)

Employees may receive a maximum of three (3) temporary permits within a three (3) month rolling period for the following reasons:

Guidelines:

- When an Employee forgets their permit, they can receive a temporary permit for their assigned area. Note: Employees Carpoolers: all designated members must be in the vehicle.

- Every vehicle including those with specialized license plates must display a valid permit in accordance with the parking posted.
- Commercial licensed vehicles are not required to display parking permits when engaged in the act of loading or unloading within a designated loading zone for no more than 20 minutes.
- University and official local, state or federal government licensed vehicles do not need a permit when on official business. Officials using private vehicles must pay to park unless the government agency has made prior arrangements with UCLA. All officials must stop at an Information & Parking Booth to obtain a one day permit.
- Parking permits are the property of the University and may not be resold, duplicated or altered.
- Parking permits are for the registered permit holder only and are non-transferable. Violations of any regulation will result in restitution and possible legal and/or disciplinary action to the violator.

Important Gate Access Card Information:

- If your permit is cancelled, revoked, lost, stolen or not returned. Your permit is valid at all times in:
  - Any legal parking stall except: passenger loading (white curb) and commercial loading (yellow curb) zones.
  - Your permit must be displayed with your valid disabled person’s license plate or placard.
  - Both the permit and placard must be clearly visible.
  - Your disabled person’s license plate or placard must be displayed at all times with your Accessible Parking (AP) Permit. Refer to your placard/license plate registration card for additional information.

As a courtesy to our visitors, please do not park in metered stalls and pay by space stalls.

Disabled License Plate or Disabled Placard Holders:

- UCLA Affiliates Faculty, Staff or Students who have a valid disabled person’s license plate or placard should purchase an Accessible Parking (AP) Permit for Individuals with Disabilities.
- When displaying both the Accessible Parking Permit for Individuals with Disabilities & disabled person’s license plate or placard, you may park in any legal parking stall except: Passenger loading (white curb) or commercial loading (yellow curb) spaces.

• When displaying both the Accessible Parking Permit for Individuals with Disabilities & disabled person’s license plate or placard, you may park in any legal parking stall except: Passenger loading (white curb) or commercial loading (yellow curb) spaces.

Parking Regulations
Under the authority delegated by the Chancellor, no individual or department other than Parking Services may grant parking privileges on campus. All parking permits, decal and gate access cards issued to users of the parking system remain the property of the University.

Important Gate Access Card Information
• If your permit expires do not discard your gate access card.
• This card will be valid with other permits issued to you in the future.

Special Notes:
• If you are unable to locate a place to park in your assigned area, please go to an Information & Parking Booth for assistance. Do not park in an unauthorized area. Parking in an unauthorized area will subject you to a citation.

A permit is valid when:
• The time and date are current.
• Used by the individual authorized by Parking Services.
• Properly displayed and completely visible.
• Legible and does not appear to be altered or duplicated.
• The permit has not been cancelled, reported lost, stolen or not returned.
• Used in the area(s) authorized by Parking Services.
• Issued to an alternate temporary permit.
• Issued in your assigned area indicated on your permit.

The University reserves the right to:
• Refuse issuance of a parking permit.
• Audit information supplied by Students who were granted parking.
• Revoke Student Parking Privileges for up to four (4) years for those students:
  - Not responding to an audit
  - Not supplying sufficient documentation for an audit
  - Altering or duplicating a permit
  - Purchasing or using another person’s permit.
  - To sell UCLA property e.g. decals or gate access cards.
• Issue citations for illegal parking as authorized by the “California Vehicle Code.”
• Change parking assignments or privileges as deemed necessary.
• Restrict the use of any parking stall, area, structure or surface lot at any time.
• Temporarily or permanently relocate permit holders as needed.
• Determine hours of control.
• Determine mode of operation for any area at any time (e.g., sell-park or stack park, etc.)
• “Tow or boot any vehicle which blocks any parking stall, area, structure, lot and driveway or accumulates five (5) or more parking citations to which the registered owner has not responded within the legally mandated timeframe.

Garaging Vehicles on Campus
Parking permits are granted for the purpose of transportation to and from campus. Garaging your vehicle on campus is prohibited unless you are a Residence Hall Tenant with the appropriate permit.

Residence Hall Tenants Important Information!
• If you are a Residence Hall Tenant you are permitted to gararge your vehicle in your assigned area indicated on your permit.
• Residence Hall Tenants must check their vehicles on a daily basis:
  - Changes or restrictions affecting the parking area can occur at any time due to special events, construction, etc.
  - These restrictions are posted at least 24 hours in advance.
  - Vehicles parked in restricted areas may be cited and/or towed at your expense.

Towing & Booting
The following California Vehicle Codes are enforced for all UCLA campus streets, parking lots and structures.

California Vehicle Code Sections 22651 (1) and 22651.7. When any vehicle is found upon a highway and known to have been issued five or more parking violations over a period of five or more days and the owner or person in control of the vehicle has not responded, the vehicle may be impounded until that person furnishes to the impounding law enforcement agency, evidence of his identity and an address within this state at which he can be located and satisfactory evidence that the bail has been deposited for all notices of parking violations for the vehicle.

University Discipline For Permit Abuse
Violation of Parking Regulations are subject to disciplinary and legal action, including but not limited to recall of parking permit, imposing fines, withholding refunds, placing holds on Student Records and revocation of parking privileges. Student disciplinary cases may be referred to the Dean of Students.

• Permits/decals and gate access cards are not transferable.
• Resale is prohibited and will subject both buyer and seller to disciplinary action.
• Unauthorized use of a UCLA Parking Permit by an individual not registered with Parking Services may result in cancellation of parking privileges.
• Possession or use of a lost, stolen, voided, duplicated, altered or not returned parking decal is cause for:
  ✔ Restitution fees in conjunction with the citation.
  ✔ Disciplinary and or legal action.
  ✔ Revocation of parking privileges.
  ✔ Placing Holds on Student Records.
  ✔ Disciplinary cases may be referred to the Dean of Students and employees to the appropriate Departmental Chairperson or Administrative Officer.
• Serious offenses may result in impoundment of the vehicle and criminal charges, which may be pursued by the City Attorney through the court system.

UCLA Parking Authority
Both UCLA Parking Regulations and the California Vehicle Code are applicable on the UCLA campus. UCLA is authorized through the California Vehicle Code Section 21115(a) to establish independent parking regulations. All parking regulations are enforced through citations issued by UCLA Parking Enforcement. The Regents of the University of California are not and shall not be liable under any circumstances for the loss of or damage to vehicles or contents thereof parked or garaged in a lot or structure by fire, theft or any other cause whatsoever not arising directly from the negligent acts of Regents of the University or its employees acting within the scope of their employment. The University reserves the right to restrict the use of any parking stall, area, structure, ramp or surface lot at any time and to temporarily relocate permit holders as necessary.

Decal Mounting Instructions
You have two options for the display of your permit. You must use one of these two options listed below. Failure to do so may result in the issuance of a parking citation for improper permit display.

Option #1: If you are going to use a plastic hang tag, please affix the permit decal to the plastic hang tag. Hang the tag from your rearview mirror so that the permit faces outward and is clearly visible and readable through the windshield of your car while parked on campus.

Notice: Some new cars are equipped with antilacerative (Sucroflex) windshields which may be damaged by windshield-mounted decals. If your car is equipped with such a windshield, mounting platforms which are placed between the windshield and the decal are available upon request.

Parking Lot Access:

Hold your Gate Access Card up to the gray reader faceplate located at the entrance to the lot or structure. Gate will open automatically. DO NOT insert into Daily/Visitor ticket reader.

Your Gate Access Card has a lifetime usage and should be retained if you are re-applying for any future permits.

Canceling Your Permit:
• Return the decal(s) and gate access card to Parking Services. (Failure to return all items will result in no refund or a reduced refund of parking fees.)
• A prorated refund based on the date the decal(s) and gate access card are received in Parking Services will be mailed to the address provided.

• Tow or boot any vehicle which blocks any parking stall, area, structure, lot and driveway or accumulates five (5) or more parking citations to which the registered owner has not responded within the legally mandated timeframe.

Towing & Booting
• The following California Vehicle Codes are enforced for all UCLA campus streets, parking lots and structures. California Vehicle Code Sections 22651 (i) and 22651.7. When any vehicle is found upon a highway and known to have been issued five or more parking violations over a period of five or more days and the owner or person in control of the vehicle has not responded, the vehicle may be impounded until that person furnishes to the impounding law enforcement agency, evidence of his identity and an address within this state at which he can be located and satisfactory evidence that the bail has been deposited for all notices of parking violations for the vehicle.

University Discipline For Permit Abuse
Violation of Parking Regulations are subject to disciplinary and legal action, including but not limited to, revocation of parking permit, imposing fines, withholding refunds, placing holds on Student Records and revocation of parking privileges. Student disciplinary cases may be referred to the Dean of Students.

• Permits/decals and gate access cards are not transferable.
• Resale is prohibited and will subject both buyer and seller to disciplinary action.

• Unauthorized use of a UCLA Parking Permit by an individual not registered with Parking Services may result in cancellation of parking privileges.
• Possession or use of a lost, stolen, voided, duplicated, altered or not returned parking decal is cause for:
  ✔ Restitution fees in conjunction with the citation.
  ✔ Disciplinary and or legal action.
  ✔ Revocation of parking privileges.
  ✔ Placing Holds on Student Records.
• Disciplinary cases may be referred to the Dean of Students and employees to the appropriate Departmental Chairperson or Administrative Officer.
• Serious offenses may result in impoundment of the vehicle and criminal charges, which may be pursued by the City Attorney through the court system.

UCLA Parking Authority
Both UCLA Parking Regulations and the California Vehicle Code are applicable on the UCLA campus. UCLA is authorized through the California Vehicle Code Section 21113(a) to establish independent parking regulations. All parking regulations are enforced through citations issued by UCLA Parking Enforcement. The Regents of the University of California are not and shall not be liable under any circumstances for the loss of or damage to vehicles or contents thereof parked or garaged in a lot or structure by fire, theft or any other cause whatsoever not arising directly from the negligent acts of Regents of the University or its employees acting within the scope of their employment. The University reserves the right to restrict the use of any parking stall, area, structure, ramp or surface lot at any time and to temporarily relocate permit holders as necessary.

Decal Mounting Instructions
You have two options for the display of your permit. You must use one of these two options listed below. Failure to do so may result in the issuance of a parking citation for improper permit display.

Option #1: If you are going to use a plastic hang tag, please affix the permit decal to the plastic hangtag. Hang the tag from your rearview mirror so that the permit faces outward and is clearly visible and readable through the windshield of your car while parked on campus.

Notice: Some new cars are equipped with antilacerative (Sucroflex) windshields which may be damaged by windshield-mounted decals. If your car is equipped with such a windshield, mounting platforms which are placed between the windshield and the decal are available upon request.

Option #2: Please affix your permit decal to the inside of the front windshield on the driver’s side. While seated in the driver’s seat, locate the decal within a 5-inch square of the lower left-hand corner.

Parking Lot Access:
Hold your Gate Access Card up to the gray reader faceplate located at the entrance to the lot or structure. Gate will open automatically. DO NOT insert into Daily/Visitor ticket reader.

Your Gate Access Card has a lifetime usage and should be retained if you are re-applying for any future permits.

Canceling Your Permit:
• Return the decal(s) and gate access card to Parking Services. (Failure to return all items will result in no refund or a reduced refund of parking fees.)
• A prorated refund based on the date the decal(s) and gate access card are received in Parking Services will be mailed to the address provided.
